ROOS A.F.C. ROOS WIN THE CUP!

On 11th May, on a truly historic and memorable Sunday morning, Roos 'A' pulled off a magnificent victory over a good young Dulverton side to lift the Sunday League's Hostick Cup at Boothferry Park, the home of Hull City.

To add to the sense of occasion, the whole squad plus all invited guests for the Directors' Box travelled together in a specially-hired coach. On arrival, the team squad was allowed to make a pre-match pitch inspection a la Wembley. The general opinion was that the pitch was not as good as it used to be but everything else about the ground fulfilled all expectations - a perfect setting for a Cup Final.

As Dave Hampton and Paul McKinley had both reported fit, after more than a week's intensive treatment for injuries received in previous games, the squad was at full strength:

- | | |
|-------------------|--------------------|
| 1. Pete Dearing | 7. Paul McKinley |
| 2. Stu Blenkin | 8. Dave Hampton |
| 3. Clayton Atkins | 9. Nick Derbyshire |
| 4. Chris Hodgson | 10. Dave Cowell |
| 5. Andy Bailey | 11. Mark Battye |
| 6. Mark Nesti | |

Subs:

12. Des Beeston

13. Dave Iley

Reserves to travel:

Adrian Pollendine, Alan Hewitt, Rich Richardson

Roos kicked off and immediately put the opposition defence under pressure. However, the Dulverton defenders didn't intend taking any prisoners and their tackling in the early stages was particularly fierce, causing the first of a series of injuries to the Roos players. Leb Battye received a knock on his ankle and had to be taken off. After sustained treatment he came back on, only to break down again a few minutes later. Much to his disappointment, he had to be substituted by Dave Iley after only 20 minutes.

For the remainder of the half both defences were on top and only an occasional scoring chance was created. From one of these Pete Dearing pulled off a fine full-stretch save and at the other end Dave Iley shot wide when well placed.

As the first period drew to a close, Roos were obviously gaining the ascendancy and were starting to put together some good quality football. However, Mark Nesti was struggling at half pace, having also suffered an ankle injury, and things didn't look too good for him. At the half-time whistle the game was scoreless.

The second half continued in much the same way as the first, with the Roos back four - Blenkin, Hodgson, Bailey and Atkins - dealing more than capably with anything that Dulverton could throw at them.

However, half way through, with Mark Nesti and now Paul McKinley also restricted by injuries, I was ready to replace one of them with our second substitute, Des Beeston, when Roos suffered another blow. Dave Hampton's pulled hamstring let him

down and he could no longer continue. So Des came on to take his place in central midfield and this proved to be the turning-point of the match for us.

The game was approaching the final quarter now and - just as we were dreading the possibility of extra time because of all our injuries - the match suddenly exploded into life. Making a brilliant last-ditch attempt to block a shot from Dulverton's best forward, Stu Blenkin handled the ball and Dulverton were awarded a penalty. Their skipper took the kick and buried the ball in the net, having sent Pete Dearing the wrong way. Score: 0-1.

This reversal, however, proved to be the spur that we needed. Roos scored immediately from the kick-off. Apart from some altercations with Paul McKinley that mystified us spectators, the referee had had a good game. He now spotted an off-the-ball foul just outside the Dulverton penalty area. Des Beeston took the free kick quickly, chipping over the wall of defenders into the space in the penalty area. The keeper looked to have the ball covered but, happily for us, he allowed it to slip through his legs and there was Dave Iley to crash it into the net, 1-1.

The game was now a light and Roos were roaring. Within a few minutes they scored a magnificent goal. In the Roos six-yard box a Dulverton move broke down on the rock of Chris Hodgson, who was excellent throughout the game. He played a good ball to Paul McKinley on the edge of the centre circle. Paul played it square to Dave Cowell who passed it down the right wing to Nick Derbyshire. Nick brilliantly turned his defender and placed a great ball in front of Dave Iley who raced into the penalty area, passed heavy-legged Dulverton defenders, and placed a perfect cross for a grateful Des Beeston to slide into the net. 2-1 to Roos.

The crowd of Roos supporters - who were magnificent throughout - now really had something to cheer about. And cheer they did: they knew there was only one winner now.

A minute later the game was over. But before that, the deadly combination of our two substitutes - Des Beeston and Dave Iley - sealed the victory for us. Des won the ball in a tackle in the centre circle, looked up, and immediately hit a thirty-yard through ball into the path of Dave who - in spite of the goalkeeper and two defenders converging on him - won the chase for the ball, rounded the keeper, and pushed the ball into the empty net. Thus, within less than ten minutes, Roos had come from the depths of despair to magnificent euphoria. The final whistle blew with Roos still on the attack.

Dave Hampton, Team Captain, receives the Hostick Cup from Mr. Wally Owst, Secretary of the Hull Sunday Football League.

Dave Iley deservedly won the man of the match award but everyone in the side played superbly, especially the defenders, who were brilliant throughout the game. Special mention must

also be given to Des Beeston who scored one goal, had a hand in both the others and was tremendous from the moment he came on.

After the match, tea and sandwiches were served for players and guests in the Hull City boardroom, which completed an exceptionally memorable Sunday morning for everyone lucky enough to be there. I should like to convey my thanks to Les Wilkinson, who made a video film of the match which we replayed in The Black Horse on Sunday evening. This was a fantastic experience for the players, seeing themselves on TV for the first time, and the cheers when the goals were scored could be heard at the Post Office, I am told.

This victory more than made up for the disappointment when the team failed to win the Division 10 League title. They lost 3-2 against a 'National' team illegally reinforced by outside players. Although Roos had most of the play, National defended extremely well and with the aid of some fine goal-keeping, more than a few goal-line clearances, and the woodwork, they managed to hold on for victory. This was the first defeat Roos had suffered for ten matches, having won all the previous nine, and the double was definitely on the cards. But we will settle for what we got, completing a tremendously successful season by finishing second in the League - and, of course, winning the Cup.

A very enjoyable presentation evening was held on 16th May at The Mermaid, Tunstall. A well-organised raffle raised £101.39 for the club. Awards for the season went to the following players:

Roos 'A' Players' Player of the Year:
Paul McKinley
Leading Goal-Scorer: Dave Hampton
Clubman of the Year: Adrian Pollendine

Roos 'B' Players' Player of the Year:
Mark Edmands
Leading Goal-Scorer: Graham Smith
Clubman of the Year: Carl Clark

Final League Statistics								League Position	
P	W	D	L	F	A	Pts		2nd	
20	13	4	3	92	39	30			

Rounds in the Hostick Cup

1st Sept. 8 Away	Rose Hotel W 2-1 (Scorers: Hampton, Cowell)
2nd Sept. 29 Home	Cottingham Rangers W 2-1 (Hampton, Cowell)
3rd Oct. 20 Away	Rampant Horse W 6-3 (After extra time and penalties, Hampton, 3 inc. 1 penalty; penalties also by Bailey, Battye, Derbyshire)
4th Nov. 3 Away	Leven Members' Club W 3-1 (Hampton, Derbyshire, Battye)
Sm.Fnl. Jan. 12 Reckitt's	Cholmley Wolves W 5-0 (Hodgson 2; Bailey 1; Hampton 2)
Final May 11 Boothferry Park	Dulverton W 3-1 (Iley 2; Beeston)

As can be seen from these statistics, Dave Hampton scored in every round of the Cup except the last, showing the major part he played in getting us there. Well done Dave - and best wishes from everybody in the club on your forthcoming marriage to Fiona on 22nd June.

The team will now have a well-earned break until training for next season starts in July.

Ron Derbyshire

(This deservedly long report was even longer before it was cut to save some space for other items! For the record, the material omitted consisted of Ron Derbyshire's sincere and eloquent thanks to a great many people; all supporters, especially those at Boothferry Park and the presentation evening; Jean Young, postmistress, said to have done "a terrific P.R. job" for the club; members of the Rugby Club for their friendship and practical support, especially Ron Symes, Ollie Grasby, David Winter, Trevor Uscroft (and Carol); Geoff and Lesley Prest of The Black Horse for assistance with fund-raising and quiz nights - another one coming shortly. Apologies to all these for curtailing their well-earned tributes.)

COPIES OF THE QUESTIONNAIRE REPORT

A brief Summary of the Report was printed in 'The Rooster' last month. Draft copies of part of the Full Report were available in village shops recently and some pages were displayed at the meeting on 19th May. Final versions of the Full Report (about 36 pages) will shortly be printed. It would help to plan the print-run if residents who would like to order a copy would do so at once. Ring Leslie Helliwell (70291).

In spite of the Community Council grant, there will probably be a need to make a charge - about £1.00 (The more copies produced, the lower the cost).

A MINI-MARKET

in the ROOS INSTITUTE
Saturday, 28th June

We shall be open from 10.00 a.m. until our goods are cleared. If you have anything from a needle to an anchor, cakes, plants, etc., just ring and we will collect.

- 19 Summer Fayre. Roos House. 2.00. (for Girl Guide funds).
- Midsummer Dance. The Elms, Roos (In aid of Church funds).

COPY DEADLINE

Material for the July issue of 'The Rooster' should be submitted by Monday, 16th June, please.
Contact: Leslie Helliwell, Lamb Lane (Phone 70291)

ROOS VILLAGE PLAN

Arrangements for the launching of the Roos Village Plan are now known. There will be an exhibition in the Memorial Institute over three days: Friday 13th, Saturday 14th and Monday 16th June. The exhibition will display statistical and other information about Roos, some of it derived from the questionnaire circulated by the Borough Planning Department last autumn. The exhibition will be open during the day, probably from 10.00 a.m. to 5.00 p.m. and possibly on the Friday evening. There will be a member of the Planning Department staff in attendance to deal with questions.

On Monday there will be a public meeting at 7.00 p.m. in the Memorial Institute. This will be an opportunity for members of the public to discuss the plan and the future of the village.

Roos Parent-Teacher Association MUSICAL REVUE & COFFEE EVENING

Friday, 20th June : 7.30 p.m.

Quizzes, Stalls, Raffles

All Welcome

Adults 30p

Under-fives and school pupils free

BROWNIES AND GUIDES

Brownies (aged 7-10 years) and Guides (10-14 years) meet on Mondays in the school hall, Brownies at 5.45 p.m. and Guides at 7.30 p.m.

The 18 Brownies and 15 Guides are run by Christine Mitchell and Jean Jackson respectively, with help from Diane Kennils. New recruits are always welcome. Further offers of help in running the activities would also be appreciated, whether from people with experience of the Guide movement or not.

During the summer months every effort is made to organise outdoor activities both within the village and beyond. In August, for example, there is to be a five-day camping trip to Goathland.

Meanwhile, in addition to normal weekly activities, plans are in hand for a Summer Fayre on 19th July. Parents and friends are asked to support this occasion with offers of cakes, handicrafts, toys, tombola prizes, etc., as well as items for the White Elephant stall.

ROOS PARISH COUNCIL

Next Meeting in Roos Memorial Institute on
Monday, 9th June at 7.30
Members of the public always welcome

ROOS VILLAGE APPRAISAL

Presentation of Report

The results of the Questionnaire circulated within the village were presented at a meeting in the Memorial Institute on Monday, 19th May. Draft copies of the Report had previously been available in local shops and blown-up pages of it were mounted as a display.

Mr. Willis Ainley acted as Chairman on behalf of the Appraisal Group and gave a special welcome to Charlotte Hursey, Rural Officer of the Community Council of Humberside. Miss Hursey later presented a cheque from the Community Council in support of the Appraisal. Five members of Roos Parish Council were present and some of them participated in subsequent discussion of the Report.

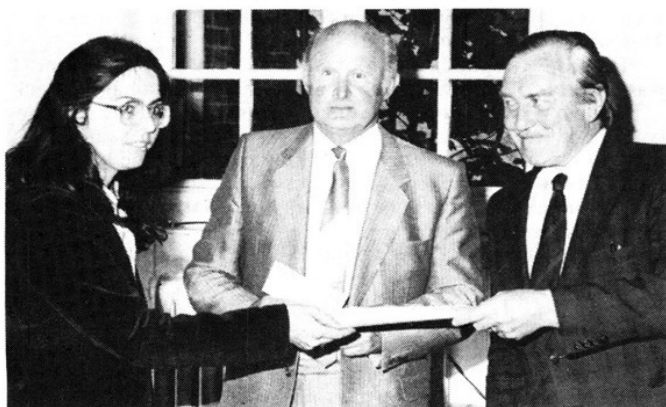

Photo: Courtesy of 'The Holderness Gazette'

l. to r. Charlotte Hursey (Rural Officer, Community Council of Humberside), Alan Bowden (Acting Treasurer of the Appraisal Group), Leslie Helliwell (Acting Secretary).

A review of the initiation of the Appraisal Questionnaire and the stages of its distribution and processing was given by Mr. Leslie Helliwell.

Charlotte Hursey spoke of the value of Village Appraisals, drawing both on her own experience and on that of groups throughout the country. She stressed that in most instances an initial questionnaire had been invaluable but had usually proved to be only a starting-point. Almost always the facts derived from a questionnaire had suggested further positive action by both voluntary groups and by local councils. Sometimes a second questionnaire, perhaps several years later, had provided evidence of advances achieved in a particular community during the intervening period.

The presentation of the grant from the Community Council followed. It was received on behalf of the Appraisal Group by Mr. Alan Bowden. Chairman Willis Ainley pointed out that the main use of the grant would be to help meet the costs of producing copies of the Report in bulk. Copies would be provided for the Borough Council, the Parish Council and other official bodies. It was also assumed that individuals might wish to have their own copies.

General discussion followed, during which particular

parts of the Report were considered. The Chairman said that the Appraisal Group would meet once or twice more in order to finalise production of the Report copies. Thereafter, the Group as at present constituted might cease to exist - or, if there were interest from other bodies in the village, it might be enlarged to provide wider representation with a view to further action.

(A Summary of the Questionnaire Report was printed in the May issue of 'The Rooster'. Unfortunately there were three typing errors:

In Paragraph 1, italicised, lines 4 and 5 should have read: "the figures could be doubled..."

In the first column, under "CONSERVATION & ENVIRONMENT", in Paragraph 4, line 6, delete the last word - "said".

In the first column, under "SERVICES : Possible Speed Restriction", lines 1 and 2 should have read: "80% wanted a speed restriction, 28 people wanted the whole village to be included".)

ROOS PARISH COUNCIL

Councillor K.G. Grant took the Chair at the meeting of 12th May. Also present were Councillors Beal, Benson, Cheeseman, Clark, Cook, Priest, Quarmby and Winter.

Annual General Meeting

The existing Officers were re-elected: Chairman, Councillor K.G. Grant; Vice-Chairman, Councillor G.E. Winter; Treasurer, Councillor M. Cheeseman.

The following were elected to represent the Parish Council on other bodies:

Snaith Charity: Councillors Grant and Quarmby;

Roos Charity: Councillors Beal, Benson, Cheeseman and Winter;

Playing Field Committee: Councillor Clark;

Governors of Roos School: Councillor Clark;

Roos Memorial Institute: Councillors Beal and Priest;

Humberside Association of Parish Councils: Councillors Cheeseman and Priest

It was agreed to pay the subscription (£68.60) to the Association of Parish Councils but to ask for an explanation of the 20% increase. The Parish Council Accounts were approved prior to the Annual Audit by the Borough Council.

Monthly Meeting

The A.G.M. was followed by the normal monthly meeting.

The Minutes of the meeting of 14th April were approved. In answer to a query from Councillor Quarmby, the Parish Clerk, Mr. Cyril Woodhouse, said that there had been no further information about Roos Beck.

Correspondence

The Borough Council had sent leaflets explaining the bye-laws that concerned straw-burning in Holderness and other leaflets (published by the Department of Trade and Industry) concerning advice and help for small businesses. The County Council had sent information about bus passes and had provided booklets for parents about various aspects of the education service.

A leaflet from the Department of Trade and Industry described grants available from the European Regional Development Fund to help areas - including the Hull area - affected by job losses in the fishing industry. Entitled "Grants from Europe for Small Firms", the leaflet gave details of the kinds of grant available and the address to which applications should be made. Copies of this and the other leaflets referred to are held by the Parish Clerk.

A letter had been received from Mr. Houlton, of the Area Surveyor's Office, Hedon. On behalf of Humberside Technical Services, he wrote that, following an inspection of Rectory Road, it had been decided that a road sign would be inappropriate: a 'Bend' sign would only distract drivers.

The Borough Solicitor had referred to the Parish Council two applications for a Public Entertainment Licence. They were from Mrs. M.E. Smith, The Elms, Roos, in respect of a Midsummer Dance on 19th July in aid of All Saints', Roos, and from Mr. K.G. Grant, Elms Farm, in respect of a Barn Dance on 27th June organised by the Roos Playing Field Committee. The Parish Council raised no objection.

Planning and Accounts

The application by Mr. A. Shaw for an extension to the rear of Corner House, Main Street, Roos, had previously been refused by the Borough Council (as the Parish Council learned at their October meeting - see 'The Rooster', November 1985). It was now reported that the matter was to go to appeal.

Borough Council approval had been given to two applications: by Mr. K.G. Grant in respect of Mount Farm, Hilston, and by Mr. M. Grant in respect of Elms Farm, Roos; both were for a change of use of a former coaching house to residential accommodation.

There were no accounts to be considered at this meeting.

Any Other Business

The School Clock. In answer to a question, Councillor Cheeseman said that there was nothing further to report from Mr. Crook.

Public Seats. Councillor Priest asked if there had been any progress in relation to the seats offered by two separate donors. The Parish Clerk said that he had spoken to a representative of one of the prospective donors but he would write again to both parties.

Grass Verges. Councillor Cheeseman asked if anything could be done to stop horses from churning up the verges on the road to North End and to prevent cars from parking on the verges. Roos Young Farmers had planted bulbs which had had no chance of developing. It was suggested that a letter be sent to the Highways Department.

ROOS ARMS A.R.L.F.C.

In the last games of the campaign Roos were defeated but not disgraced in two cup-ties.

7th May v Withernsea

This fast and attractive game was the best possible advertisement for Rugby League football. Withernsea opened the scoring with a Dave Wilson penalty goal after fifteen minutes, followed minutes later by a Warren Graham touch-down in the corner. Although Withernsea were at this stage clearly the better side, Roos never gave in and much credit must go to the pack, and especially to Steven Karsera, for a one-hundred-per-cent effort. Minutes before the interval, Russell Carr crashed over to extend the Withernsea lead to 10-0.

The second half was just as hard and uncompromising. Both packs worked tremendously hard to the bitter end. Withernsea increased their lead with a well-taken try by Maurice Elliott. Roos, however, were not finished and coach Fred Stuart decided to introduce Ron Symes into the attack. The result was that Roos dominated the scrums and started to look dangerous. Gradually Withernsea wilted under the constant barrage of Roos attacks, which led to a Steve West try and a Trevor Bailey conversion. Despite continued pressure from Roos, Withernsea added to their points with a penalty goal by Maurice Elliott and won 16-6. Man of the match for Roos: Steve Karsera.

9th May v Skirlaugh

Roos lost 42-2, the solitary goal being scored by Trevor Bailey. Steve Karsera was again Man of the Match. Despite the heavy scoreline, Roos were in no way disgraced. The team were obviously suffering from injuries and fatigue which affected their play immensely. However, Ron Symes, Trevor Bailey, Steve Karsera and Roy McCunne produced excellent performances.

Summary of the Season

In their first season Roos can be extremely proud of their achievements. The club has won six games and with a bit of luck it could have been ten. Lack of experience was obviously a major factor. New players have joined the club and the team generally should be more at home next season after tasting a year's hard rugby. Players to take the eye were: Trevor Bailey, David Staniforth, Graham Marshall, Steve Karsera, Ron Symes and Roy McCunne. Fred Stuart, the coach, has done extremely well and

much credit must go to him for travelling from Hull twice a week.

The Committee have worked extremely hard throughout the year, with Trevor Uscroft making an outstanding contribution. The Club are deeply indebted to Pete and Sue Sedgwick for their assistance, especially in allowing the changing-room facilities to be sited in the Roos Arms car park. Both Committee and players also very much appreciate the excellent support there has been from the general public of Roos.

Annual General Meeting

At the A.G.M. on 12th May the Committee were re-elected en bloc with Ken Windas continuing as Chairman. The Rugby Club would like to congratulate Roos F.C. on their splendid success in winning the Hostick Cup Final.

ROOSTER BOOSTERS

or

Perils that Pauline Never Knew

Ten minutes to seven. The phone rang.

"Our copies of 'The Rooster' have just been delivered. Shall we get them out straight away - hot from the press, as they say?" This was my opposite number speaking.

"Righto," I replied - but looked doubtfully at the weather. It was bitterly cold, blowing a gale, and raining. But what the heck!

Bouncing our way over continuous ruts to one of the far-flung corners of Roos, we delivered our first three copies safely. But then, at a house with a gravel path, my partner came back limping. "I think I've picked up every stone," she moaned. "And when you open the next gate you always mutilate a finger - I know from experience!"

"Never mind," I consoled her. "I'll take the next two." At the first, I woke at least thirty sleeping canaries. At the second, I had to chase the newsletter all over the neighbouring garden, much to the amusement of the occupants of the house - and of my partner.

Parking the car, we set off round the corner. Muttering and wet, I was stared at in amazement by a young lady who had had her 'Amami Night'. Meanwhile, my partner's fingers, half way through a letter box, contacted an angry canine and were quickly withdrawn, leaving 'The Rooster' blowing forlornly in the wind. "Now I know just how our postlady feels," she mumbled darkly.

Down the next lane we went, unable to avoid laughing at the sight we presented. Our hair-dos were ruined, our complexions had suffered and our hands would have made a good advertisement for Mr. Sheen. Still, only a few more to do.

An outer door wobbled suspiciously as I pushed it open to reach the inside letter box. No letter box! I hope the occupier found his copy, balanced on the inner window ledge.

As we reached the next house, the door was opened and we were invited inside. Tempting. We reluctantly declined - once stopped, we'd never get started again. Six copies to go. Then five. At two further ports of call, we discussed the ruder elements of the weather, drawing on immediate experience. Nearly finished.

No one about at the next two houses. At the very last one, the lady of the house pounced on 'The Rooster' as soon as I pushed it through the letterbox. How popular can you get? Over sixty copies well and truly delivered - and, like the pony express, we got through against all odds.

M.P.

MOBILE CHEF

People in the village may like to know that the Mobile Chef van (run by Mr. C.N. Smith of Hedon) visits Roos as follows:

Mondays: 9.00 - 11.30 p.m.

Eastfield: 9.00 - 10.00

Old School: 10.00 - 11.30

Thursdays: 4.30 - 6.00 p.m.

Eastfield: 4.30 - 5.00

Old School: 5.00 - 6.00
