

The Rooster

The Roos Parish Newsletter

November 2017

Number 252

Rooster Editorial

After our months break it was good to hear that the Rooster has been awarded some cash from the Lottery fund to enable us to purchase a Laptop and relevant hardware to make the production of each edition much easier. Congratulations from the village to our intrepid travellers back from South America after their amazing cycle rides, their story is included in this edition. Well done to the Parish Council in their efforts to curb dog fouling; the meeting in the village with the Dog warden gave us some useful ideas and he is going to visit the school to talk to the children about some pet awareness topics later in the month. We have also included a letter from a member of the Roos Show committee explaining the policy regarding the use of their equipment bought with Wind Farm money. After reading it I still find it strange that these grants are not for the benefit of the whole village and that the Committee are obviously unhappy that this situation is being questioned.

Another sad item of news is another theft of lead from the church roof. Please, if you see anything suspicious, contact the police immediately.

Next month is the Dec/Jan double edition.

Please get your articles to us by November 20th

We Did It!

That's right, we completed our challenge. 370km from Salvador to Ilhues, on road, off road, uphill, downhill, through villages, towns and rubber plantations, jungle and beach. Brazil was full of brightly coloured houses and loud music where boys are constantly playing barefoot football, the Churches are rocking daily and the locals still drink Skol. Cycling through Brazil was a great way to see it, it really is very beautiful. The challenge itself was much harder than we had anticipated. It was so tough, the distance, the heat and the HILLS. The hills were terrifying, particularly given the distinct lack of hill training we managed to do in the Holderness area, but with the help and support of each other and 67 other women, along with the little song we'd sing to ourselves to help us get up them (it's only a hill and we're riding brazil) WE DID IT!! We raised over £10k for female cancer charities which is helping to develop a blood test to use as a screening tool for ovarian cancer and the money will continue to fund an online support service for women, which sadly is at its busiest at 3am in the morning.

The experience of undertaking such a challenge with so many strong and determined women was a life changing experience.

We met a living legend that goes by the name of Margaret, at 76 years of age, she completed the challenge (her fourth) all the time constantly smiling and giving it some welly! We would like to extend a massive thank you to all of you, for all your help, encouragement and donations. Roos is a very special place - thank you! Much love Nicky and Sally x

The sponsor of this edition of the Rooster is Pure Beauty. Thankyou

We still need new sponsors to keep the Rooster going. Please contact Alan on 671322 if you can help

No admission fee. All proceeds will go to the Village Hall Fund.
 Please come and support this community event.

Farmyard Bingo Roos

The October bingo attracted 35 players. Our regular caller Ian was back with us after his well deserved holiday. In his absence, Diane stood in and did a great job calling. Many thanks to both of them for their help. Pat received the £100 donation this month for the Memorial Institute. It will go towards the general upkeep of the Institute.

The next bingo is

Chicken November 14th
 Chocolate December 12th

At November bingo, 5 Roos based organisations will each get £100 from Bingo. We are able to do this because of your continuing support. Many many thanks to you all.

Join us at the Memorial Institute. Everyone welcome. Doors open 1845, eyes down 1930.

Roos WI

Our October meeting began with a warm welcome from our Vice President Ann Adam and the singing of Jerusalem. She then introduced Cary Johnson who began by judging the competitions. Cary then went on to demonstrate a Christmas swag for the front door and a beautiful table centre arrangement using greenery from the garden, a few cones and decorative ribbon. She made it look so easy. I am sure members will be trying their hand at it.

Business meeting followed with arrangements for the Autumn Federation Meeting at Longcroft on the 14th October and also for the Roos WI walk on 21st October. There are plenty of activities on offer, a craft club and book club who meet on other Wednesdays in the month. The book club reported an enjoyable visit to the New Theatre to see Jayne Eyre.

Any new ladies are welcome to join us on the first Wednesday of each month 7.30 pm in the Roos Memorial Institute except for December when we will be having our Christmas meal out. The next meeting is our AGM on 1st November.

For more information please contact Dot (671250) or Joy (671321)

Rooster Association DONATIONS

The Rooster Association depends upon voluntary contributions to ensure continued publication of the Rooster. If you wish to contribute then please leave your donations in a sealed envelope in the Rooster box at the Roos Store/Post Office, enclosing your name, contact details & amount. All donations will be strictly confidential. Please make cheques payable to The Rooster Association. All contributions will be acknowledged in The Rooster unless you request to remain anonymous.

We are pleased to acknowledge the kind donations, during August / September from:

Tony & Esther Kirby
 Alec & Margaret Dodson
 2 x Anon

Roos Primary School

Road Safety Week – 20th November

Be bright be seen. Throughout the cold, dark months ahead of us we encourage our children to continue to walk, scoot and bike to school. Please take care by ensuring your children can be seen by motorists. A reminder to children to walk on school premises. Reflectors and high vis jackets are a good way to – Be bright and be seen!

Community Christmas Remembrance Service – 7pm on 7TH December. The evening will include: seasonal entertainment, mince pies and a seasonal tippie.

Adults and children from Year 2 upwards are most welcome.

Tickets are available from the school office (01964 670535) at a minimum donation of £3.00.

Rev Martin Faulkner

The alarm clock rings. You wake up, turn over and turn on the radio. With shouts and pokes you wake up the children.

The morning traffic, roars, beeps and grumbles as you drive the children to school.

You get to work, the chatter of the machinery, the raised voices of management instructions, the burble of inconsequential workmates conversation, a workload too large to manage in the time allotted. Stress builds, nerves fray, and still there is the noisy drive to pick up the children and get home. The next day it's the same again.

After busy times Jesus often used to go off by himself to rest. When the disciples had been busy Jesus said to them that they needed to go away to a desolate place and rest.

But we are no different, we too need time to recharge the batteries, time to think without noisy distractions, time alone to gain perspective upon life and all the events it throws at us.

We all need to create a space where we can go off alone and rest. We need to find a place where we can reconnect with the world around us, enjoy the silence or the gentle sounds of nature. We all need time to reflect upon the day that has been and to focus upon the day to come. We all need time to rest in the arms of God or in his creation.

Have you had time for rest this day?

ROOS CRAFTY CRAFTERS

(Tuesday sewing group 1pm to 4pm)

We will be holding an exhibits day on 18th November at the Roos Memorial Institute. You can see the things we make, things that can be made and also crafts which we will be selling. Come along and have tea, coffee, juice and biscuits and meet group.

NEW MEMBERS ALWAYS WELCOME.

Roos Parish Council Report: September / October 2017

Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – roosparish.info

Environmental Matters

- **Overgrown hedge on local path no. 5** ERYC has written to occupiers of properties in Beechwood Views and Hinch Garth asking if they would take ownership and maintenance of the hedge. If there was a poor response then the ERYC would consider removing it.
- **Dog fouling** - It was reported that the Chair, Cllrs Cracknell and Pearcey and others had met with the ERYC Dog Warden to discuss dog fouling issues. It was agreed that to help raise community awareness about this anti-social behaviour, the ERYC would give a presentation to school children as part of their early learning experience. They would also initiate a poster design competition for which Roos Parish Council would donate a prize to the winner
- **Litter/fly tipping – Roston Road** - ERYC confirmed that its street cleaning operatives would inspect and remove any waste discarded near the wayside seat.
- **Vehicle parking – Hilston Road** -An ERYC Area Engineer confirmed that highway enforcement officers would be asked to investigate whether the vehicles parked on or near the highway would be likely to be a potential cause of an obstruction.

Tunstall Coastal Defence Scheme

A report from ERYC indicated that progress was being made towards concluding the legal and financial agreements necessary for its construction to proceed. It was agreed that representatives of the Internal Drainage Board and the ERYC be invited to attend the Council's December meeting to provide feedback about this and other potential flood management issues along the drain to its outfall into the Humber.

Planning Applications

- Erection of free range egg unit with associated feed bins and hard standing areas at land east of Roos Road Halsham - 17/02637/PLF The Council agreed to register their objections to this second application with the ERYC. It was agreed that "the proposed development is located in an area of open countryside which was undeveloped until permission was recently granted for a similar type of development. The size of the buildings together with those already erected would constitute industrial development which is not linked to a nearby farm. There would be further loss of visual amenity with concerns also of obnoxious odours and waste disposal. Further, the Council see this application as a cynical way of seeking permission by stealth and exploiting the planning system".

Council agreed that no objections be made to the following applications.

- Fell row of conifers along drive blocking light from garden, fell conifer as outgrown location, fell ash as too close to property, ash x 2 crown reduce by 30% and reduce by 10 feet two rows of conifer to north and south of garden at Roseneath South End Roos - 17/03154/PLF
- Certificate of lawfulness for continued use of building in connection with livery business at WillowToft Farm Owstwick Rd Danthorpe - 17/03076/CLE
- Continued use of former function room as two flats at Black Horse Inn Main Street Roos - 17/03104/PLF
- Erection of single storey extension to create additional garage/store at The Folly, 2 Orchard Close Roos - 17/02396/PLF
- Continued use of the Dual Doppler weather station at Pastures Lane, Tunstall until February 2019, Dong Energy (15/01772/PLF)

Decisions - It was reported that ERYC had approved the following applications.

- Display of 1 externally illuminated fascia sign and 1 non-illuminated hanging sign at, 1 Main Street Roos Ref.No 17/02219/PAD
- Butterfly Cottage 1 North End Road Roos Ref. No: 17/02426/PLF
- 12 Elm Garth Roos. Ref. No: 17/02710/PLF

Any other business

Roos Village Amenities Association - It was agreed that Cllr Pearcey replace Cllr. Devanney as the Council's representative member with Cllr Maltas as substitute.

Date of next meeting, Monday 13th November at 7.30pm in the Memorial Institute.

Roos Horticultural Society

Following comments made in public places and to Committee members regarding the equipment Roos Show have gained over the last few years we would like to make the following statement to the village / people who are concerned. Roos & District Horticultural Society have been successful in obtaining wind farm money over the last few years for the equipment they need to hold the annual shows each year.

We have clarified with all the wind farms where the money has come from and they have confirmed the equipment belongs to Roos & District Horticultural Society not the whole village.

The society has agreed to let other organisations and people use the equipment and hire charges and agreements have been agreed at their committee meetings. If anyone has any concerns please put them in writing to The Honorary Secretary, Roos & District Horticultural Society, Lelley Grange, Whites Close Lane, Lelley, Hull, HU12 8ST and these will be addressed at the next committee meeting
