The Roos Parish Newsletter

October 2015

Number 231

Rooster Editorial

September saw a wide range of social activities throughout the village which were all well attended raising lots of money for 3 local churches and the woodland group. This month we will be welcoming our new Vicar which is good news for the Benefice and Roos School. Please keep sending in your articles the more varied the better.

Do you recognise this?

Do you remember doing this as a child ? this was found in the church when the organ was being removed. We would be interested to know when it was made and by whom

Roos Medical Practice

Please ensure you take up the offer of your flu vaccination if you are in one of the following categories

- Those aged 65 years and over
- Those aged six months to under 65 in clinical risk groups
- Pregnant women
- All two-, three- and four-year olds (but not five years or older) on 31 August 2015
- All children of school years 1 and 2 age
- Those in long-stay residential care homes
- any carers – please note carers can inadvertently pass on flu to those they care for so this is very important

We will be running clinics in Roos. In addition you are welcome to book a time at our other sites. As last year we will have Saturday and later evening clinics on offer at Withernsea. We also this year expect to be able to offer appointments on demand at Withernsea. Evie, our healthcare assistant, will be giving vaccinations this year alongside our Practice Nurse team

In addition to Flu we will be offering Shingles and Pneumonia vaccinations – if you are advised you are eligible please do take up the offer of this important protection.

This edition of the Rooster is kindly sponsored by Jennifer Grant.

We need new sponsors for future editions of The Rooster. Please contact Alan on 671322 if you can help

TUNSTALL was full of fun as it welcomed people to its Strawberries and Steam event held at the All Saint's Church on Saturday August 15. The day was a success starting at 2pm until 4pm with the village humming with life and people enjoying the sunshine.

The event had a tombola, raffle, 'bric-a-brac' and homemade cake stall, strawberry cream teas, vintage cars and a special appearance from the 'Old Glory' steam engine as well as much more.

The steam engine, owned by Vic Makey, was located on the field next to Rectory Road and was also offering rides around the field for those who were brave enough to steer and the field also featured vintage emergency vehicles and tractors. Dianne Richardson did a sterling job in following the engine with her donation box at the end of each ride. Christine Dobson-Youngman and Pat Garbutt manned the tea and strawberry cream scone stall whilst Irene Fox, Christine Midgley and Tracey Nieuwenhuis kept the stall topped up with delicious scones and fresh tea and coffee cups.

Stephen Midgley managed the tombola stall, while Tina Danby encouraged people to purchase raffle tickets for the luxury hamper, which was eventually won by Brian Wells from Hilston.

By the end of the day the scones had sold out, the tombola prizes had all been won and most of the 'bric-a-brac' was sold too, thanks to John Dobson-Youngman. A special thank you to Paul Nieuwenhuis who at short notice managed to sell all the cakes - even the extra-large chocolate cake.

So many of the villagers turned out for a thoroughly successful day keeping all of the volunteers very busy whilst also raising valuable funds for the church. One of the event helpers Christine Midgley said: "It was a great afternoon and everyone had a good time. We are overwhelmed by the level of support and how generous everyone has been in donations and gifts for the stalls. A brilliant community event." Mike Smales and Christine Dobson-Youngman also commented on how supportive everyone has been towards this event and on behalf of the PCC wanted to take this opportunity to thank everyone involved. So many people have given their time to organise the afternoon and a huge thank you to all those who showcased their vintage vehicles and engines. We also want to thank all those who provided donations/gifts, as without your help this event would not have been the success it was. All in all a great afternoon at Tunstall.

Roos Memorial Institute Village Diary

Whist: 1st & 3rd Fridays

Parish Council Meeting: 2nd Monday

Roos WI: 1st Wednesday

Farmyard Bingo: 2nd Tuesday

Choir: every Thursday

Camera Club: 2nd & 3rd Wednesday

Rooster Association

DONATIONS

The Rooster Association depends upon voluntary contributions to ensure continued publication of the Rooster. If you wish to contribute then please leave your donations in a sealed envelope in the Rooster box at the Roos Store/Post Office, enclosing your name, contact details & amount. All donations will be strictly confidential.

Please make cheques payable to The Rooster Association.

All contributions will be acknowledged in The Rooster unless you request to remain anonymous.

We are pleased to acknowledge the kind donations to The Rooster during September 2015 from:

Mrs M Smith

Mrs V Adams

Mrs Feetom

All Saints' Church Roos

Everyone is warmly invited to come to St Matthew's Church Withernsea at 7pm on the 8th October to welcome our new Vicar Reverend Martin Faulkner as the Bishop of Hull inducts him as rector of the Benefice. There will be refreshments to follow the service. At the time of going to print we are unable to confirm the Church Service times for October as Reverend Faulkner has yet to confirm what the Benefice Service rota will be. Please check in the gazette and church notice board for details on a weekly basis, if we have more information we will put it on our Facebook page.

The Roos Harvest festival will be on Friday 9th October at 18.30 hrs and Reverend Martin Faulkner will lead the service. This will be his first official service in the Benefice, let us give him a warm Roos welcome.

Ringling Competition Roos

The Roos band of ringers entered two teams for the annual district competition held at Nafferton. For five of our band it was the first time they had competed. Judges marked each team according to accuracy and overall performance. The Roos teams were awarded 1st and 2nd place in our category which is an outstanding result. It is not easy to ring well under pressure and on unfamiliar bells, so our junior ringers in particular should feel especially proud.

St Margaret's Church Hilston

The friends of Hilston church held a Hog Roast on the 30th August 2015 to raise funds for the church. As always many people contributed to making the day such a success. Firstly thanks to Sue Jones and Jackie Cracknell our churchwarden, for allowing their home to be invaded by over 80 people. Many thanks to Mick Evison of Hot Trotters for providing the lovely Hog roast and Mike and Karen Westmorland who spent the entire event serving it up. Thanks must also go to our sponsors, Tony and Esther Kirby, Graham and Caroline Blyth, Martin and Angie Maltas, Bob Smales and Brian and Kath Wells. Special thanks to Leanne and Angie for their sterling work behind the bar, to Grace Ward who baked some delicious cakes and to everyone who donated raffle and tombola prizes. Last but not least, thank you to everyone who bought tickets and helped raise just over £1350. The money will be used for essential repair work and will be added to other monies raised over the past few months at an auction in the Black horse £411, quiz nights £132 and £518 from the annual cricket match between Garton and Hilston. The game held at Grimston Garth ended for the first time in its history in an exciting draw. These monies supplement the grants made by local wind farm community funds. Tedder Hill gave £1000 for work on the trees in the church yard, Roos £1200 for work on the electrics and Burton Pidsea £1000 for work on the bell frame and improvements to disabled access. If anyone would like to join the Friends of St Margaret's church or help in any way please contact Colin Wilson on 01964 671591 we would welcome your support.

Farmyard Bingo in Roos

September's bingo was another great night with lots of winners including the flyer which went on 58 numbers, winning one lucky lady £15.. The £100 donation went to the Derby and Joan club and will go towards giving the members a Christmas celebration. The next Bingo sessions are 13 October with Mixed meat and 10 November with Poultry.

Everyone welcome, why not come and join us

WI Roos

It was lovely to see fresh faces at the September meeting and we do hope you will join us again. Thanks to all who made the Group Rally a success on the 7th September when we played host to our fellow WI's.

Our next meeting is on October 7th and the subject is WET FELTING with Alison Grant. The competition will be an old decorative tin. The November 4th meeting, our annual meeting, will also have a speaker, Barbara Ball who will tell us HOW TO MAKE THE MOST OF SCARVES.

Don't forget to visit the Hedon Museum if you get the chance, and see the WI displays before the 10th October (Wednesday's and Saturdays only). New members always welcome. For more details contact Dot 671250 or Joy 671321

Friday	9.00am–12.30pm

Roos Pipe Organ Update

The restoration of the Roos Pipe organ is progressing well. A group visit to the organ builder's workshop in Harrogate gave a fascinating insight into the skills and processes involved in heritage organ conservation.

Further information can be found on the display boards in All Saints' Church. The estimated completion date is February/March 2016 All Saints' Roos PCC are pleased to acknowledge the support of the Heritage Lottery Fund.

Parish Council Meeting September 2015

Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – roosparish.info

The Chairman welcomed Cllr Bob Smales and Cllr. Ann Wall as newly co-opted members. Apologies were received from Cll. J. Ward. The Minutes of the 10th August were approved.

Matters Arising. It was noted that:

Local Community Transport – Survey. Councillors who had been delegated to prepare a draft questionnaire had met with Colin Walker at the ERYC, to discuss their draft and to arrange for its printing. It was agreed to approach the editor of the Rooster about its distribution. An invitation was received to attend a meeting at The Shores Centre, Withernsea on October 7th at 6.30 pm. To discuss rural transport issues.

Commemorative Medal

There had been a high level of interest and a further order had been placed to meet the demand. Pupils of Roos Primary School had been presented their commemorative medal by Cllr. J. Cracknell.

Telemetry systems at Roos Beck. ERYC would cease its funding from April 2016. They provided estimates to maintain the system should the Council take over. The estimates were prohibitively high and taking into account there had been only one early warning since its installation and recent jetting by both Yorkshire Water and the ERYC it was agreed not to proceed.

Memorial Institute

Mr/Mrs Cheeseman welcomed the suggestion of installing Wifi provision and further investigation was underway.

ERYC Planning – Applications

Installation of ground mounted solar panels at land north of Glebe Farm Hilston Road Roos – Ref. 15/02121/PLF

Erection of detached dwelling with car port at land west of The Paddock South End Roos – Ref. 15/01383/PLF

Erection of single storey extension to rear following demolition of outbuildings erection of single storey extension to front of outbuilding to form gymnasium and erection of detached garage at Roseneath South End Roos – Ref 15/02549/PLF

Following discussion there were no objections to the above applications.

Decision – It was reported that the following application had been approved

Fell scots pine growing through horse chestnut and crown lift horse chestnut by approx. 15 feet at The Willows South End Roos

The Chair reported that extreme concern was expressed by local residents at a 'drop in session' hosted by Dong Energy at Tunstall Village Hall. The meeting was to discuss the proposed Doppler weather radar station for taking measurements for the Westernmost Rough Offshore Windfarm – Ref 15/01772/PLF. The installation would be in place for a period of eighteen months. He reported that additional hedgerow planting to provide screening was being planned

Any Other Business

Chair reported that following complaints from residents about speeding in Roos, Police Community Support Officers had conducted radar speed gun surveys on Rectory Road and elsewhere. Other surveys would take place without prior announcement.

Council refuse operatives had reported that the waste-bin located at the Pinfold was not being utilised and that the consideration should be given to its relocation. Council agreed to consider this suggestion.

In response to an enquiry from a LifeStyler Group it had been suggested that they might consider making a contribution towards the replacement of a bench seat on the Withernsea Road.

Cllr. Tyson, Chair of the RES Roos Wind Farm Community Fund, commented upon the need for publicity drawing attention of local groups and eligible organisation to the next round of funding.

Public Session

Residents adjacent to the planning application for a dwelling west of The Paddock, had expressed their concern to ERYC about the method of surface water disposal with its location being at a higher level than their property. They also reported straw following harvesting was gathering in roadside gullies.

Date of next meeting Monday 14th October 2015 at 7.30pm in the Memorial Institute.

Woodland Group Roos

The autumn seems to have arrived suddenly and many of the large trees in the village are already turning into their autumn colours. As daylength decreases and the nights get colder, woody plants pull back valuable chemicals from their leaves - especially the pigment that in the summer colour the leaves green.

This is chlorophyll, the compound that traps energy from sunlight, allowing the plant to grow. It's a complex chemical that 'costs' plants a lot of resources to make. It makes sense, then for the trees to pull it back into their woody stems, all ready for the next year. Scratch the bark of a woody plant in the winter, and you will see a green layer just beneath the outer layer - a sure sign that the tree or plant is indeed alive - and just biding its time for the coming season. Roll on Spring!

The beautiful colours that are left in the leaf are those that the tree or shrub either doesn't need or can't reuse. Lucky us that the Acers, Beech and Birches are particularly rich in fabulous autumn shades.

On a happy note, the Roos Woodland Group raised over £800 at a recent Moroccan evening, which was a lovely community event with many friends from near and far. Thanks to all who attended and offered help. Gerard Baker, Chair.
