

ROOS PARISH COUNCIL

LOCAL TRANSPORT SURVEY

conducted in collaboration with the East Riding of Yorkshire Council

Although Roos benefits from Pearson's bus service to Withernsea, there is presently NO similar service from Roos to Hedon and beyond since the EYMS 174/175 service was withdrawn.

The information you provide will help Roos Parish Council and East Riding Council to ensure appropriate public and community transport now and into the future. Please take a little time to complete this questionnaire and help establish the level of need in our area.

**Return your completed form to any Parish Councillor or post in the box at the noticeboard outside Roos Stores .
Please return by January 31st 2016**

This Questionnaire may be downloaded from roosparish.info and may be completed and submitted via the Contact Us Page.
